That's So You

The Rocket Summer

Its a beautiful day,
Now I'll be ok,
Now that you're not away.
Yesterday was a terrible day,
but now that you're here I'm ok.
Cause you don't know how much I,
I need you please dont go
You're so wonderful.
This I swear, this I know.
You, oh, you.
Every single thing you do.
I'm so proud of you.
What you do.
When you do the things you do.
They're so you.So thanks, for your help.
You shine so bright.
You are the star that's in my sky.
And I am yours and you are mine.
Whoa, you, whoa you.
Every single thing you do.
I'm so proud of you.
What you do.
When you do the things you do.
They're so You.And I'm so proud of you.
That's so you.
