

Scared

Zendaya

Baby I can't live without you
I'm slowly dying You live just me
These rolls watching me bleed
I'm screaming, I'm hurting,
I'm begging you for mercy Forgive me for the things I did, the things I said, if you understand
Forgive me and I'll forgive you. Pre-
For playing my heart like a shallow
Strumming me no longer, beating like a drummer
Oh, I just wanna love that, I just wanna love that
I just wanna love that, I just wanna love that
I just wanna love that, I just wanna love that
Scared of what it feels like to be alone
Scared of what it feels like to miss you
Scared of what it feels like not to kiss you
Scared of what it feels like to be alone, yeah.
(You're scared
You're scared
You're scared) Know you, know me, it's just the shadows I see
No savior, hell Marie, who's gonna rescue me? Forgive me for the things I did, the things I said,
if you understand
Forgive me and I'll forgive you. Pre-
For playing my heart like a shallow
Strumming me no longer, beating like a drummer
Oh, I just wanna love that, I just wanna love that
I just wanna love that, I just wanna love that
I just wanna love that, I just wanna love that
Scared of what it feels like to be alone
Scared of what it feels like to miss you
Scared of what it feels like not to kiss you
Scared of what it feels like to be alone, yeah.
(You're scared
You're scared
You're scared) Baby I can't live without you
I'm slowly dying
Baby without you I'm scared. Scared of what it feels like to miss you
Scared of what it feels like not to kiss you
Scared of what it feels like to be alone, yeah.
(You're scared
You're scared
You're scared)
