

# What Makes You Think You're the One

## Fleetwood Mac

What makes you think you're the one  
Who can laugh without cryin'  
What makes you think you're the one  
Who can live without dyin' Every little bit  
Is there  
To see  
Every little bit  
Of you  
And me  
What makes you think I'm the one  
Who'll be there when you're callin'  
What makes you think I'm the one  
Who will catch you when you're fallin' Every little bit  
Is there  
To see  
Every little bit  
Of you  
And me What makes you think I'm the one  
Who will love you forever  
Everything you do has been done  
And it won't last forever  
Every little bit  
Is there  
To see  
Every little bit  
Of you  
And me
