## Shaggy

What situation here it is Shaggy Gand puba style?  
In a dancehall style wicked a whya so versatile chWhy must she treat you so bad?  
I don't know why she treated me like that  
Why must she treat you so bad  
If it's scheming, scheming like a demonWhy must she treat you so bad?  
Why that girl treat me so bad girl?  
Why must she treat so bad  
Hey Shaggy we ain't having it let 'em know what time it isApple in my eye an the key to my  
yacht  
She's the only girl I desire from the start  
And if we get together never part  
But every time I talk to her she try to blow me off  
She keeps trying to avoid me  
To tell her the truth girl this really annoys me  
But I'm the number one champion  
Tha doberman ere on the microphone stand  
She says "Goddamn"But since I'm such a good man  
And all the leading ladies would love to have my hand  
So why you treat me like a mad man?  
Young girl why don't you get with the program?Why must she treat you so bad?  
I don't understand this woman at all  
Why must she treat you so bad?  
You need to knock it off 'coz we ain't going for itWhy must she treat you so bad?  
You wait till that day that glorious day  
Why must she treat you so bad?  
Yo Puba le me girl know where yo gwan  
Now baby listen I ain't into butt kissing  
If you think I'm going out like that, keep wishing  
You play hard to get then you won't get got  
If you keep acting up ya end up a have notEvery day it seems that you want to treat me bad  
Every day it seems your maxi on a pad  
I treat you like a queen and you play me like peasant  
No matter what I do you try to make me feel unpleasantBut hey it'll come back to haunt chaya  
If I flip the script and say "Now I don't want cha"  
I can change like sneakers and clothes  
Is git, it stick it ain't change, but a plane ticketWhy must she treat you so bad?  
A wag man  
Why must she treat you so bad?  
Easy come easyWhy must she treat you so bad?  
I don't know why I have to see ya like this  
Why must she treat you so bad?  
Say ya better take it personalA lover boy says "Yes may God bless" Mmm

She uller to told me oh goodness  
And that's when she put me to the test  
And that's when I had to but the egg in the bird nest  
And that's how we rumble  
Last night a upon real lover she stumble  
I'm just the same guy that she dissed  
And now she never passes me with out blowing a kiss  
Yo girl you're dismissed just like that then  
Why must she treat you so bad?  
Yeah, yeah plain legged sexy keep on walking  
Why must she treat you so bad?  
Now I don't get the short end of the stick  
Why must she treat you so bad?  
That's right are you with me?  
Why must she treat you so bad?  
And that's how it goes  
Check it  
Ain't no honey fly enough  
Ain't no boody fat enough  
Ain't no coody good enough  
To string out Gran Pu  
So baby be true stop all the things you do  
Before I change my mind and find somebody new  
And now you know this is how Gran Puba and Shaggy do  
Mother made you, mother had you, mother  
As we put it on like that time to represent  
Here we go  
Situation is we ain't having it these days  
So we got a let 'em know  
One time  
Why must she treat you so bad?  
Now what's the situation again? Hey
