

Missing

Flyleaf

I saw the queen
Swam out below her star on sea beneath
Though I lifted up my hands to her
She never lifted me Oh something's missing in me
I felt it deep within me
As lovers left me to bleed alone Found something sweet
On the island with the Daughters of Eve
But through thick and thin they've gone away
And only left their grief
Oh, something's missing in me
I felt it deep within me
As lovers left me to bleed alone Something's missing in me
I felt it deep within me
As lovers left me to bleed alone Something's missing in me
Something's missing in me Down here, Love wasn't meant to be
It wasn't meant to be for me
All is vanity underneath the sun
All is vanity Oh, something's missing in me
I felt it deep within me
As lovers left me to bleed alone
Something's missing in me
I felt it deep within me
As lovers left me to bleed alone
Something's missing in me
Something's missing in me
