

# Skyfall

Adele

This is the end  
Hold your breath and count to ten  
Feel the earth move and then  
Hear my heart burst again For this is the end  
I've drowned and dreamt this moment  
So overdue I owe them  
Swept away, I'm stolen Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together  
Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together

At Skyfall  
At Skyfall Skyfall is where we start  
A thousand miles and poles apart  
Where worlds collide and days are dark  
You may have my number  
You can take my name  
But you'll never have my heart Let the sky fall

(Let the sky fall)  
When it crumbles  
(When it crumbles)  
We will stand tall  
(We will stand tall)  
Face it all together  
Let the sky fall  
(Let the sky fall)  
When it crumbles  
(When it crumbles)  
We will stand tall  
(We will stand tall)  
Face it all together  
At Skyfall (Let the sky fall)  
(When it crumbles)  
(We will stand tall)  
(Let the sky fall)  
(When it crumbles)  
(We will stand tall) Where you go I go  
What you see I see  
I know I'd never be me

Without the security of your loving arms  
Keeping me from harm  
Put your hand in my hand  
And we'll standLet the sky fall  
(Let the sky fall)  
When it crumbles  
(When it crumbles)  
We will stand tall  
(We will stand tall)  
Face it all togetherLet the sky fall  
(Let the sky fall)  
When it crumbles  
(When it crumbles)  
We will stand tall  
(We will stand tall)  
Face it all together  
At SkyfallLet the sky fall  
We will stand tall  
At Skyfall
