

# Something in the Water

Carrie Underwood

He said I've been where you've been before  
Down every hallway's a slamming door  
No way out, no one to come and save me  
Wasting a life that the Good Lord gave you  
There's somebody saying what I'm saying to you  
Open my eyes and told me truth  
He said: just a little faith and it'll all get better  
So I followed that preacher man down to the river  
And now I'm changed  
And now I'm stronger There must've been something in the water  
Oh there must've been something in the water  
Well I heard what he said and I went on my way  
Didn't think about it for a couple of days  
Then it hit me like a lightning late one night  
I was all out of hoping, all out of fight  
Couldn't fight back my tears so I fell on my knees  
Saying God if you're there come and rescue me  
Fell all pouring down from my dress  
Gotta wash in the water, wash in the blur  
And now I'm changed  
And now I'm stronger There must've been something in the water  
Oh there must've been something in the water And now I'm singing all along to amazing race  
Can't nobody wipe this smile off my face  
Got joy in my heart, angels on my side  
Thinking about it, I saw the heart and looked their head  
No turning back, leave everyday, give it all that I have  
Trusted someone bigger than me  
Ever since the day that I believed I am changed  
And now I'm stronger There must be been something in the water  
Oh there must be something in the water  
Oh there must be something in the water  
Oh there must be something in the water  
Oh yeah I'm stronger  
Stronger I'm free
