

In a Rush

Blackstreet

It came over me in a rush
When I realized that i love you so much
That sometimes i cry
But I can't tell you why Why I feel what i feel inside
How I try to express
What's been troublin' my mind
But still I can't find the words But I know that somethings got a hold of me
It came over me in a rush
When I realized that i love you so much
That sometimes i cry
But I can't tell you why
Why I feel what i feel inside
Baby someday I'll find a way to say
Just what you mean to me But if that day never comes along
And you don't hear this song
I guess you'll never know
It came over me in a rush When I realized that i love you so much
That sometimes i cry
But I can't tell you why
Why I feel what i feel in Feel what I feel inside
And when i say inside I mean deep
You fill my soul
And that's something I can't explain
Its over me
'cause it came over me in a rush
When I realized that I love you so much
That sometimes I cry
But I can't tell you why
Why I feel what I feel inside
It came over me in a rush
When I realized that i love you so much
That sometimes I cry
But I can't tell you why
Why I feel what i feel inside
It came over me in a rush
When I realized that i love you so much
That sometimes i cry
But I can't tell you why
Why I feel what i feel inside
