

Don't Leave Me Alone

Ashanti & 7 Aurelis

Waddup Ashanti?

Heyyy

Mmm mmmmmm

Dont leave me alone [x3]

Boy wont you just lay with me stay with me,
I would love it if you had your way with me, 'cause I just...
Cant get enough of your touch.
You do the things I need to me so much,
I dont wanna let you leave, I dont wanna go,
So... dont leave me alone [x3]

Oooooooo

Now if I could just be wit you, breathe wit you, if you woulda asked me
I would leave with you I would go... around the globe as long as I know
I will be right by your side wherever you go I aint gonna let you leave
I dont wanna let you go, ooh I need you here with me

Dont leave me alone

(I dont wanna leave you alone)

Dont leave me alone

(I dont wanna see you go)

Dont leave me alone [x2]

Wherever you go... I will follow

Dont leave me alone

'cause I dont wanna be alone... I dont wanna let you go

Dont leave me alone

ONE OF THE REASONS I DON'T EVER WANNA BE ALONE
IS THAT I LIKE WHAT HAPPENS TO ME WHEN I'M IN YOUR ARMS
IT FEELS LIKE HOME
WHERE I BELONG

Ohh baby baby

'cause my heart smiles from inside out, only you can do it to me baby, you can do it to me so... I
cant leave you alone

Dont leave me alone

I just wanna be in ur arms all night long

Dont leave me alone

I just wanna be in ur arms all night long

Dont leave me alone

Ooooooooooooo

Ooo ooooh baby baby baby ooh baby baby baby

Be alone...

Dont leave me alone

Dont leave me alone

I just wanna be in your arm

Dont leave me alone...
