Kings & Queens

Ava Max

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting aloneBaby, you're not dancing on your ownCan't live without me, you wanna, but you can't, nah-nah-nah
Think it's funny, but honey, can't run this show on your own
I can feel my body shake, there's only so much I can take
I'll show you how a real queen behavesOh, no damsel in distress, don't need to save me
Once I start breathing fire, you can't tame me
And you might think I'm weak without a sword
But if I had one, it'd be bigger than yours
If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your ownDisobey me, then baby, it's off with your head
Gonna change it and make it a world you won't forgetOh, no damsel in distress, don't need to save me
Once I start breathing fire, you can't tame me
And you might think I'm weak without a sword
But I'm stronger than I ever was beforeIf all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your ownIn chess, the king can move one space at a time
But queens are free to go wherever they like
You get too close, you'll get a royalty high
So breathe it in to feel the life
If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your ownOh-oh-oh-oh-oh-oh, oh-oh
Oh-oh-oh-oh-oh-oh, oh-oh
