

# Someday

## Flipsyde

Someday  
we gonna rise up on that wind you know  
Someday  
we gonna dance with those lionsSomeday  
we gonna break free from these chains and keep on flyin'  
They tellin' me it's all good just waitYou know you're gonna be there somedaySippin' on Jim  
Beam ok,  
Gotta get these things one day  
Till then do another line you knowSearching for that other high  
Stop or i gotta steal then steal  
Kill or i'm gonna be killedI got a sack in my pocket  
Conscious yellin' drop it  
You know we're gonna lose itSomeday  
And we tryin' to hold it all together  
but the devil is too clever so  
I'm gona die you gonna die,we gonna die Someday, one day i said  
Someday  
we gonna rise up on that wind you know  
Somedaywe gonna dance with those lionsSomeday  
we gonna break free from these chains and keep on flyin'  
Yeaah, C'mon  
Try to lie buy it ain't me, ain't me  
Try to look but i can't see  
Can't stop right now cause i'm too far and  
I can't keep goin' cause it's too hard  
In the day in the night it's the same thing  
On the field on the block it's the same game  
On the real if you stop then it's no pain,  
but if you can't feel pain then it's no gain  
Rearrange and you change and it's all bad  
and you try to maintain but you fall back  
and you crawl and you slip and you slide down  
Wanna make it to the top better start now  
So i hold my soul and i die hard  
All alone in the night in the graveyard  
Someday, one day i'm gonna be free  
and they won't try to kill me for being me  
Hey Someday  
Someday  
we gonna rise up on that wind you know  
Someday  
we gonna dance with those lions

Someday  
we gonna break free from these chains and keep on flyin'  
If you know how this is  
gonna see it's not that easy  
Don't stop get it till it's done  
From where you are or have begun  
I Said  
Keep on try a little harder to see everything  
you need to be  
Believe in your dreams  
That you see when you're asleep  
Someday  
we gonna rise up on that wind you know  
Someday  
we gonna dance with those lions  
Someday  
we gonna break free from these chains and keep on  
keep on  
keep on  
keep on flyin'  
(c'mon get right now)
