Have you ever seen a Chevy with the butterfly doors?  
Stuntin', stuntin' is a habit, get like me  
Have you ever seen a Chevy with the  
(Get, get like me)  
Have you ever seen a Chevy with the  
(Get like me) Have you ever seen a Chevy with the butterfly doors?  
Stuntin', stuntin' is a habit  
Put it in the air  
Stuntin', stuntin' is a habit  
Put it in the air Stuntin', stuntin' is a habit  
Put it in the air  
Have you ever seen a Chevy with the butterfly doors?  
Stuntin', stuntin' is a habit  
I got a chip in my engine, 26 inch rims  
Got fade away money, \*\*\*\*\* I'm ballin' out the gym  
Got my old school pumpin', hit wheel on recline  
If you think a \*\*\*\*\* broke, you out yo' monkey \*\*\* mind Diamonds on my pinky, hand on the  
pine  
Touch and die, yo mama do the second line  
Screens fallin' from the sky, fallin' in my cup  
Old school Chevy thang, comin' down, \*\*\*\*\* what Got diamonds in my mouth, got some Gucci  
on my seat  
Got g's on my \*\*\*, it's cold when I speak  
Got a freak on my arm, got a charm around my neck  
You can go on and pass the mike, watch I'm 'bout to catch wreck Still screamin' out mayne,  
\*\*\*\*\* in my hand  
Southside so throwed, throwed in the game  
Big face on my chain, 84's on the frame  
Big bodies comin' down, hoggin' up both lanes  
Stuntin', stuntin' is a habit, get like me  
Have you ever seen a Chevy with the  
(Get, get like me)  
Have you ever seen a Chevy with the  
(Get like me) Have you ever seen a Chevy with the butterfly doors?  
Stuntin', stuntin' is a habit  
Put it in the air  
Stuntin', stuntin' is a habit  
Put it in the air Stuntin', stuntin' is a habit  
Put it in the air  
Have you ever seen a Chevy with the butterfly doors?  
Stuntin', stuntin' is a habit The name you know of  
A little bit of change now your boy done blown up

And I'm doing things that gets exposed  
 Stuntin' ain't a thing to me  
 And it's obvious it's plain to see That you are going to make us both, get into some things  
 That'll scare grown folks, they might even say  
 You should leave me alone, don't be scared  
 You need to get like me Stuntin' is a habit, just gotta have it  
 Shawty can throw anything at me  
 I'm gonna bag it, when she sees the carrots  
 They real just like a rabbit, can't no other boy  
 Do the things you like He ain't your type, to change your life  
 But if you did your homework  
 Girl I'm pretty sure you know what I got  
 Drop top, singing know Jones and Banner gonna roll  
 Let me stop Stuntin' is a habit, get like me  
 Have you ever seen a Chevy with the  
 (Get, get like me)  
 Have you ever seen a Chevy with the  
 (Get like me) Have you ever seen a Chevy with the butterfly doors?  
 Stuntin', stuntin' is a habit  
 Put it in the air  
 Stuntin', stuntin' is a habit  
 Put it in the air Stuntin', stuntin' is a habit  
 Put it in the air  
 Have you ever seen a Chevy with the butterfly doors?  
 Stuntin', stuntin' is a habit Look at who's the boys ridin' Maybach  
 I'm in the candy, laid back, like I slang \*\*\*\*\*  
 My money's stacked to the ceiling  
 Getting in my Chevy's like climbing up a building Them 28's on deck, 37 on my wrist, 105 on  
 my neck  
 This rap money's ok, want you to see these movies checks  
 And it's cartoon path to SS so sweet  
 My Bentley's hatin' on that \*\*\*, while old schoolers gettin' \*\*\*\*\* She opened up her arm, but  
 then she slit both wrists  
 They go to suicide doors, wood on the dash  
 Bare steels on the toes, I got [incomprehensible]  
 Got some chrome on the nose, the white boys go 'sweet' The black folks go 'ohh!,' I got a 'lac  
 full of \*\*\*\*\*  
 I'm brick with the \*\*\*\*\*, I'm throwin' bombs out the Lambo  
 Them butterflies throwin' up, I got Chad in my heart  
 And DJ Screwed in my crunk Stuntin', stuntin' is a habit, get like me  
 Have you ever seen a Chevy with the  
 (Get, get like me)  
 Have you ever seen a Chevy with the  
 (Get like me) Have you ever seen a Chevy with the butterfly doors?  
 Stuntin', stuntin' is a habit  
 Put it in the air  
 Stuntin', stuntin' is a habit  
 Put it in the air Stuntin', stuntin' is a habit  
 Put it in the air

Have you ever seen a Chevy with the butterfly doors?  
Stuntin', stuntin' is a habit
