Good Love Is On the Way

John Mayer

I'm a lazy lover
Undercover
Wasting time
Then one day this summer
I changed my number
To cut my lineGood love is on the way
I been lonely but I know, I'll be ok
Good love is on the way3 years broken hearted
But now her ghost is finally gone
I'm done with broken people
This is me
I'm working on (cause I know)
Good love is on the way

I've been lonely but I know, I'll be ok

Good love is on the wayGood to go for wherever I'm needed

Bags are packed and I'm

Down by the door

You can take all the tricks up my sleeve I don't need them anymoreGood to go for wherever I'm needed

Bags are packed and I'm

Down by the door

You can take all the tricks up my sleeve

I don't need them anymore

Good love is on the way

I've been lonely, lonely, lonely, yeah

Good love is on the way

I've been lonely but I know I'll be ok

Good love is on the way

Oh, Good love is on the way, hey
