

# From Here to There Eventually

## Steppenwolf

Yo yo yo  
Shillong city  
Its the Prodigy clique clique clique clique  
Freestyle SituationYo Jmae  
ayo waddup man  
Get 'em get 'em  
Mic 1 2 check let me get your attentionWe gonna shake this place up  
So yall better be listen  
Be dropping so hard then get cha ass  
Bouncing to the ceilin  
With the sound of the music and the rhythm  
You feel it?  
Its been a while now  
Been keepin our shine shinning on the low now  
Fakers making faces saying shit like its the time now  
Gettin hyped up keepin it fresh fresh with our style nowLight the reefer up  
Puff pass and im gone now  
See life is complicated when you care too much  
Got cha mind filled with nothin but bullshits and suchWith these people 'round seems to be  
stuck in this bubble  
So just stay high for a while and let loose of your trouble  
What I see is what I want  
Then what I want is what I getBeggie j's converse sneaks o Tim's  
Top that! brighter than the shiny rims  
Fresh on the set got love to respect  
got a rep to protect on to the next  
no procrastions seal the deal freestyle situation  
what i feel is what i keep  
and what i keep is what i feel  
uhh Fo realI mastered the madness,  
its da mic fiend  
im onto new heights so best believe i be sightseeing  
i overshadow its a cypher not a battleTryna fathom d clique see everybody lookin at em  
I be the lyrical villain stayin focused on ma spittin  
She said she wana hit it now she started catchin feelings  
So wen its all said and done  
i'ma be the one to highlightshades on limelight  
rhyme tight fine lyk da finest  
whackstas behind us  
trying to define us?  
Prodigy i came i saw n i conqueredChuckin in ma way nahmean i converse  
Sick but da flow so ill call it contagious props keep comming homeboy its outrageous

Mista get it done straight funky when i play it  
Word!!life is wat u make it  
Namsayin?  
What I speak is what I know  
what I have is what I show  
Knowledge is high time you acknowledge the Prodigy clique  
and the style that we kick  
and the verbs that I spit  
soooo high G that's my destination  
blazing hazing nature's medication  
we rise to the occasion seal the deal freestyle situation  
Its P O back to the P
