

She's My (feat. T-Pain)

Bow Wow

Uh huh
C, I ain't afraid to let the whole world know
Know what I'm sayin'
You could call me Bow Wow But tonight, I'm Lamborghini Moss
Real special occasion, you know?
And pain, let's go get 'em again, hommie Lil' mama bad man she fine
She a dime, she a problem
Bedroom time, boy I make her
Yell like the Khaled So good, check her swag
Unlike anything I had
Red American express
Get what you want, got every bag
Niggas mad say I'm slippin' her girls think she trippin'
We don't even feed in to that bull
Like Jordan and pippin', don't be trippin'
When she here, I'm at the club with other women When I be out on tour
She be the only thing I'm missing
Late night she hit my sidekick
Like, Bow, come over Treat her like a fourth quarter
And put that D on her
She put up with all my bullshit
And all of my drama
And I know that she the one
Because I let her meet my mama She's my only love, she's my
And when I'm gone, girl, I miss you
Can't nobody do me like you, shawty
She's my only love
She's my only love, she's my
She hold me down, everybody knows
She model 'round town, come on She's my only love
See, that's my girl
I ain't afraid to let the whole world know Nigga trying to holla but she know they like
Can't no other nigga do it like this mane
I done been with a lot of girls in my lifetime
But this right here, this the real thing I spoil her, adore her
Give her cash to go to the mall a
My ride or die my down ass
Like destiny, I'm her soldier When she be feeling down
I give her lovin', I mean all of it
She my lil' bust it, baby
Like ne-yo and plies and them Look good when she walkin' 'round my crib
In them boy shorts wife B

And when I lick that spot
See, she get real moistCatered food on a jet
Me and her be takin' trips
Passport full of stamps
Been to every continentShe all mine, she so fine
And girls like this so hard to find
That's why I knew
First day I saw shit, I had to make her mineShe's my only love, she's mine
And when I'm gone, girl, I miss you
Can't nobody do me like you, shawtyShes my only love
She's my only love, she's my
She hold me down, everybody know
She model 'round town come onShe's my only love
See that's my girl ain't afraid
