

# See Saw

## Aretha Franklin

Sometimes you love me  
Like a good man oughta  
Sometimes you hurt me so bad  
My tears run like water  
Ya get me out  
Not before your friends  
When ya disown me baby  
Until we alone again Your love is like a see saw  
Your love is like a see saw baby  
Your love is like a see saw  
Going up  
Down  
All around  
Like a see saw  
Sometimes you tell me  
You're goin' be my sweet candy man  
And then sometimes baby  
Never know where I stand  
Ya lift me up  
When im on the ground  
But as soon as I get up babe  
You send me tumblin' down Now your love is like a see saw  
Your love is like a see saw baby  
Your love is like a see saw  
Going up  
Down  
All around  
Just like a see saw  
When I kiss ya and I like it  
And I ask you to kiss me again  
When I reach for you you jump clean outta site  
Ya change just like the wind  
That ain't right  
That ain't right  
That ain't right Your love is like a see saw  
Your love is like a see saw baby  
Your love is like a see saw  
Going up  
Down  
All around  
Just like a see saw  
Your love is like a see saw

Your love is like a see saw baby  
Your love is like a see saw  
Going up  
Down  
All around  
Just like a see saw  
Yeah
