

Sorry, Blame It On Me

Akon

As life goes on I'm starting to learn more and more about responsibility
And I realize everything I do is affecting the people around me
So I want to take this time out to apologize for things that I've done
And things that haven't occurred yet
And the things they don't want to take responsibility for I'm sorry for the times that I left you
home
I was on the road and you were alone
I'm sorry for the times that I had to go
I'm sorry for the fact that I did not know
That you were sitting home just wishing we
Could go back to when it was just you and me
I'm sorry for the times I would neglect
I'm sorry for the times I disrespect I'm sorry for the wrong things that I've done
I'm sorry I'm not always there for my sons
I'm sorry for the fact that I'm not aware
That you can't sleep at night when I am not there
Because I'm in the streets like everyday
I'm sorry for the things that I did not say Like how you are the best thing in my world
And how I'm so proud to call you my girl I understand that there are some problems
And I am not too blind to know
All the pain you kept inside you
Even though you might not show If I can't apologize for being wrong Then it's just a shame on
me
I'll be the reason for your pain and you can put the blame on me You can put the blame on me
You can put the blame on me
You can put the blame on me You can put the blame on me
Said you can put the blame on me
Said you can put the blame on me
Said you can put the blame on me
You can put the blame on me I'm sorry for the things that he put you through
And all the times you didn't know what to do
I'm sorry that you had to go and sell those packs Just trying to stay busy till you heard from Dad
And you would rather be home with all your kids
As one big family with love and bliss
And even though Pops treated us like kings
He got a second wife and you didn't agree
He got up and left you there all alone I'm sorry that you had to do it on your own
I'm sorry that I went and added to your grief
I'm sorry that your son was once a thief
I'm sorry that I grew up way too fast
I wish I would've listened and not be so bad
I'm sorry that your life turned out this way

I'm sorry that the FEDS came and took me away. I understand that there are some problems

And I am not too blind to know

All the pain you kept inside you

Even though you might not show

If I can't apologize for being wrong

Then it's just a shame on me

I'll be the reason for your pain and you can put the blame on me

You can put the blame on me

You can put the blame on me

You can put the blame on me

You can put the blame on me

Said you can put the blame on me

Said you can put the blame on me

Said you can put the blame on me

You can put the blame on me

I'm sorry that it took so long to see

They were dead wrong trying to put it on me

I'm sorry that it took so long to speak

But I was on tour with Gwen Stefani

I'm sorry for the hand that she was dealt

For the embarrassment that she felt

Just a little young girl trying to have fun

Her daddy should've never let her out that young

I'm sorry for Club Zen getting shut down

I hope they manage better next time around

How was I to know she was underage

In a 21 and older club they say

Why doesn't anybody wanna take blame

Verizon backed out disgracing my name

I'm just a singer trying to entertain

Because I love my fans I'll take that blame

Even though the blame's on you, I'll take that blame from you

And you can put that blame on me

You can put that blame on me

And you can put that blame on me

And you can put that blame on me
