

# Rain

## Creed

Can you help me out can you lend me a hand  
It's safe to say that I'm stuck again  
Trapped between this life and the light  
I just can't figure out, how to make it right A thousand times before  
I've wondered if there's something more Something more  
I feel it's gonna rain like this for days  
So let it rain down and wash everything away  
I hope that tomorrow the sun will shine With every tomorrow comes another life  
I feel it's gonna rain for days and days  
I feel it's gonna rain  
I tried to figure out I can't understand  
What it means to be whole again  
Trapped between the truth and the consequence  
Nothing's real nothing's making sense  
A thousand times before I've wondered if there's something more  
Something more  
I feel it's gonna rain like this for days  
So let it rain down and wash everything away I hope that tomorrow the sun will shine  
I feel it's going to rain like this Rain like this  
Rain like this  
Fall down  
Wash away my yesterdays Fall down  
So let the rain fall down on me  
I feel it's gonna rain like this for days  
Let it rain down and wash everything away  
I hope that tomorrow the sun will shine  
I feel it's going to rain like this  
Rain like this  
So let the rain fall down  
I feel it's gonna rain this  
Rain like this  
So let the rain fall down  
I feel it's gonna rain like this  
I feel it's gonna rain
