

# Wrong Baby Wrong Baby Wrong

Martina McBride

Ummm Yeah  
Wrong baby wrong baby wrong  
It ain't the end of the world  
Don't you worry pretty girl  
Cause now that he's gone baby gone baby gone  
You got nothing to lose  
Count the minutes if you want to  
It won't be long baby long baby long  
'Til you find somebody new Come on now  
Everyone falls down  
Everyone crawls now and then  
Then they get up again  
You cry if you want to  
That's what we all do  
But if you think you'll never move on you're wrong baby  
Cry baby cry baby cry  
Go on and let it all out  
I ain't leavin' you now  
And we can fly baby fly baby fly  
Let's share a bottle of wine  
We can laugh about the good times  
And you'll know why baby why baby why  
It's gonna be alright Come on now  
Everyone falls down  
Everyone crawls now and then  
Then they get up again  
You cry if you want to  
That's what we all do  
But if you think you'll never move on you're wrong baby wrong  
Oh you ain't gone  
baby wrong baby wrong  
There's nothing wrong with movin on  
When you know he's good and gone Come on now  
Everyone falls down  
Everyone crawls now and then  
Then they get up again  
You cry if you want to  
That's what we all do Come on now  
Everyone falls down  
Everyone crawls now and then  
Then they get up again  
You cry if you want to

That's what we all do  
But if you think you'll never move on you're wrong baby wrong  
You're wrong baby wrong  
Wrong baby wrong baby wrong
