

Keep On Chooglin'

John Fogerty

[Chorus:]
Keep on chooglin'
Keep on chooglin'
Keep on chooglin'
Chooglin',
Chooglin'. Maybe you don't understand it.
But if you're a natural man,
You got to ball and have a good time
And that's what I call chooglin'.
Here comes Mary lookin' for Harry,
She gonna choogle tonight.
Here comes Louie, works in the sewer,
He gonna choogle tonight. [Chorus] [Primal screaming] [Chorus] If you can choose it, who can
refuse it,
Y'all be chooglin' tonight.
Go on, take your pick, right from the git go,
You gotta choogle tonight. [Chorus]
[More screaming] Oh, we're Creedence!
Clearwater!
Revival!
