

Stay With Me

Finch

Once again your eyes
Make it hard to say goodbye
So I'll just keep driving
Where you wanna go
It doesn't really matter
As long as you are here with me
With me
With meWhooooa
There's something in the air tonight
Something that makes me feel alive
And I said whoooa
What were the words that you said to me
That made me feel so special now
Once again your eyes
Make it hard to ask you why
So I sit here knuckles tight
Hands against the wheel
Your head against the glass
And you mean so much to me
To me
To meWhooooa
There's something in the air tonight
Something that makes me feel alive
And I said whooa
What were the words that you said to me
That made me feel so special
Stay with me
Cigarettes in open air
Hand in hand
And I said stay with me
Cause every star that I see
Is brighter than the lastSo stay with me
Cigarettes in open air
Hand in hand
And I said stay with me
Cause every star that I see
Is brighter than the lastSo stay with me
Cigarettes in open air
Hand in hand
And I said stay with me
Cause every star that I see
Is brighter than the lastSo stay with me

Cigarettes in open air
Hand in hand
And I said stay with me
Cause every star that I see
Is brighter than the last
So stay with me...
