

Chasing Rainbows

No Use for a Name

Just heard the news today
Let yourself down once again
Trusted your feelings in a place that no one goes
Will you do anything to satisfy your so-called friend
There's something you ought to know before you explode
All I want to do is make sure you stop
chasing rainbows
Trusting those around you is an easy thing to do
I'm not saying don't believe in someone that you don't know
Just don't go on thinking that the whole world tells the truth
It's all fucked up
Being reserved and quiet
She doesn't understand the message that you send
Don't give it all away somewhere
Sometimes there's someone
Who can replace that state of mind
You never give it time
All I want to do is make sure you stop chasing rainbows
Letting everybody crawl inside your heart and mind
Kicking you is easy when you're down
That's where the weak go
To release their anger on someone who will not try
To stand up and give them a fight
