

# All In

## Kid Cudi

Ohhhh, ahhhh  
Ohhhh, ohhhh  
Ummmm, ohhhh Hold on let me explain  
Sometimes I just don't know what to believe  
And I hate things that I said, I didn't mean them  
So difficult tryna piece my thoughts  
Don't wanna be no burden, I always piss you off  
How could a man not wanna disappear I'm exposed and I am pure  
No one makes me feel secure  
Except you and now we're all in  
All in, I am all in  
Whatever happens, happens  
We're all in, all in  
I am all in  
Whatever happens, happens  
Why all the fussin', I can explain  
I know your heart is all in no one takes your place  
I hate the man that I was so I'm becoming  
We're learning together anyhow  
We're learning together right now  
Facing the man that I was, tired of running I'm exposed and I am pure  
No one makes me feel secure  
Except you and now we're all in  
All in, I am all in  
Whatever happens, happens  
We're all in, all in  
I am all in  
Whatever happens, happens  
Happens, happens, happens, happens, happens  
All in, all in, all in  
Happens, happens, happens, happens, happens  
Alllll  
All in, all in, all in, all in, all in  
Whatever happens, happens
