

# After the Glitter Fades (Remastered)

## Stevie Nicks

Well I never thought I'd make it  
Here in Hollywood...  
I never thought I'd ever  
Want to stay...  
What I seem to touch these days  
Has turned to gold...  
What I seem to want  
Well you know I'll find a way For me... it's the only life  
That I've ever known  
And love is only one...  
Fine star... away  
Even though the living  
Is sometimes laced with lies...  
It's alright...  
The feeling remains  
Even after the glitter fades  
The loneliness of a one night stand  
Is hard to take  
We all chase something  
And maybe this is a dream  
The timeless face of a rock and roll  
Woman... while her heart breaks  
Oh you know... the dream keeps coming  
Even when you forget to feel For me... it's the only life...  
That I've ever know  
And love is only one... fine star away  
Even though the living  
Is sometimes laced with lies...  
It's alright...  
The feeling remains...  
Even after the glitter fades  
For me... it's the only life  
That I've ever known  
And love is only one fine star away  
Even though the living  
Is sometimes laced with lies  
It's alright...  
The feeling remains  
Even after the glitter fades  
Oh you know... the feeling remains  
Even after the glitter fades  
Oh the feeling remains...

Even after the glitter... fades
