

# Bitter

## FLETCHER & Kito

It's like  
Being on the outside of an inside joke  
It's like When they only got Pepsi and you really want Coke  
It's like  
Finally get a text back and it's just your mom  
It's like  
When you just broke up and they play your song I know I said it's kinda stupid  
But it's just the way I'm feeling right now  
And I hate that I could tell the song was probably on my shoes  
But now, right now  
I know she thinkin' now she found herself a winner  
I know you fucked her on the counter  
Right before you cooked the dinner yeah  
I know you think about me when you kiss her  
I left a taste in your mouth  
'Cause she tastes me now  
That you do out all our furniture and pictures  
I bet you sugarcoated truth  
I bet you real sweet with ya  
I know you think about me when you kiss her  
I left a taste in your mouth  
'Cause she tastes me now I'm bitter  
I'm bitter  
I'm bitter  
I'm bitter  
I'm bitter  
Hearing 'bout your new life and a brand new you  
It's like  
Heard you got a new job  
But I heard you moved  
It's like  
I don't wanna hear it  
Don't wanna hear 'bout you  
It's like  
I don't give a fuck  
Yeah I know I said it's kinda stupid  
But it's just the way I'm feeling right now  
And I hate that I could tell that song was probably on my shoes  
But now, right now I know she thinkin' now she found herself a winner  
I know you fucked her on the counter  
Right before you cooked the dinner yeah  
I know you think about me when you kiss her

I left a taste in your mouth  
'Cause she tastes me now  
That you do out all our furniture and pictures  
I bet you sugarcoat the truth  
I bet you real sweet with ya  
I know you think about me when you kiss her  
I left a taste in your mouth  
'Cause she tastes me now I'm bitter  
I'm bitter  
I'm bitter  
I'm bitter  
I'm bitter You're still in my head but  
You're not in my bed now  
You're not in my bed now  
You're still in my head but  
You're not in my bed now  
You're not in my bed now I know she thinkin' now she found herself a winner  
I know you fucked her on the counter  
Right before you cooked the dinner yeah  
I know you think about me when you kiss her  
I left a taste in your mouth  
'Cause she tastes me now  
That you do out all our furniture and pictures  
I bet you sugarcoat the truth  
I bet you real sweet with ya  
I know you think about me when you kiss her  
I left a taste in your mouth  
'Cause she tastes me now I'm bitter  
I'm bitter  
I'm bitter  
I'm bitter I'm bitter  
Oh you know I'm bitter
