

# You Don't Have to Worry

## New Edition

Turn me up yo  
That's right  
New Edition  
(You don't have to worry)Chorus:I know that things ain't right  
Seems like all we do is fight  
And it's been on my mind  
You don't have to worry  
I'm gonna make it right  
I'll be by your side  
No more lonely nights  
You dont' have to worry  
Lady, I know I've been acting strange  
It seems to me, you're tired of playing games  
I've been around, had girls here and there  
I did you wrong, but I'll give my life to make it rightChorus:I know that things ain't right  
Seems like all we do is fight  
And it's been on my mind  
You don't have to worry  
I'm gonna make it right  
I'll be by your side  
No more lonely nights  
You don't have to worryWhat must I do, to make it up to you?  
What can I say, to make you see things my way?  
I know it's hard for you to understand  
I did you wrong, but I'll give my life to make it right  
Chorus:I know that things ain't right  
Seems like all we do is fight  
And it's been on my mind  
You don't have to worry  
I'm gonna make it right  
I'll be by your side  
No more lonely nights  
You don't have to worryBridge:Don't be afriad, oh  
I'll be there whenever you need me  
I'll be there, trust in me  
Just call on me  
I won't let you down ooohRap:N.E. expertise please  
Here to put the squeeze on the  
industry fleas  
Getting cheese, peep these, butter  
slurs, his & hers  
Chinchilla furs, check the goodfella words

You don't ever have to worry  
Cause I get in ya like Murry  
And Boo, it's only a light flurry  
You're frontin' cattin', you wanna  
    rumble in the satin  
In a bad ass suite somewhere in ManhattanBreak:I'm from the street too,  
    But I gotta eat too  
    Won't hesitate to eat you  
Other than that, glad to meet you  
    I spend nights in the Ramada  
my honey's stay laced in Escada  
    Chickens is mad that I got her  
Casino styl, gambino type smile  
    kiss you before I twist you  
    All the wax is official  
Player's on the set, gettin' wet  
    sippin' Perrier-Jouet  
So you don't even have to worry, yetChrous: (2X adlib over)I know that things ain't right  
    Seems like all we do is fight  
    And it's been on my mind  
    You don't have to worry  
    I'm gonna make it right  
    I'll be by your side  
    No more lonely nights  
    You don't have to worry
