

# Soldier

## Eminem

I'm a soldier  
I'm a soldier  
Da da da da da  
I'm a soldier  
I'm a soldier  
YoNever was a thug, just infatuated with guns  
Never was a gangster, 'til I graduated to one  
And got the rap of a villain, for weapon concealin'  
Took the image of a thug kept shit appealing  
Willin' to stick out my neck for respect if it meant life or death  
Never lived to regret what I said  
When you're me, people just wanna see if its true  
If it's you, what you say in your raps is what you do  
So they feel, it's part of ya obligation to fulfill  
When they see you on the streets face to face are you for real?  
The confrontation ain't no conversation if you feel  
You're in violation, any hesitation'll get you killed  
If you feel it, kill it, you can conceal it, reveal it  
Being reasonable will leave you full of bullets, pull it, squeeze it  
'Til its empty, tempt me, push me, pussies  
I need a good reason to give this trigger a good squeezeI'm a soldier - these shoulders hold up  
so much  
They won't budge, I'll never fall or fold up  
I'm a soldier - even if my collar bones crush or crumble  
I will never slip or stumble  
I'm a soldier - these shoulders hold up so much  
They won't budge, I'll never fall or fold upI'm a soldier - even if my collar bones crush or  
crumble  
I will never stumbleI love pissing you off, it get's me off  
Like my lawyers, when the fucking judge lets me off  
All you motherfuckers gotta do is set me off  
I'm violating. All the motherfucking bets be off  
I'm a lit fuse, anything I do bitch is news  
Pistol whipping mother fuckin' bouncer 6'2"  
Who needs bullets? As soon as I pull it You sweat bullets  
An excellent method to get rid of the next bully  
It's actually better, cause instead of you murdering  
You can hurt 'em then come back again and kick dirt in them  
It's like pouring salt in your wounds, assault and get sued  
You can smell the lawsuits as soon as I waltz in the room  
Everybody's hearts just stop, they call the cops  
All you see is bitches coming out their halter tops

Running and ducking at the Hot Rock's parking lot  
You'll all get shot, whether its your fault or not cause I'm a soldier - these shoulders hold up so  
much

They won't budge, I'll never fall or fold up  
I'm a soldier - even if my collar bones crush or crumble  
I will never slip or stumble I'm a soldier - these shoulders hold up so much

They won't budge, I'll never fall or fold up  
I'm a soldier - even if my collar bones crush or crumble  
I will never stumble I spit it slow so these kids know that I'm talking to em

Give it back to these damn critics and sock it to em

I'm like a thug, with a little bit of 'Pac influence  
I spew it, and look how I got you bitches rocking to it  
You motherfuckers could never do it like I can do it  
Don't even try it, you'll look stupid, do not pursue it

Don't ever in your life try to knock the truest

I spit the illest shit ever been dropped in 2-inch  
So ticky-tock, listen as the sound ticks on the clock

Listen to the sound of Kim as she licks on the cock

Listen to the sound of me spilling my heart through this pen Mother fuckers know that I'll never  
be Marshall again

Full of controversy until I retire my jersey

'Til the fire inside dies and expires at 30

And Lord have mercy on anymore of these rappers that verse me

And put a curse on authorities, in the face of adversity I'm a soldier - these shoulders hold up so  
much

They won't budge, I'll never fall or fold up  
I'm a soldier - even if my collar bones crush or crumble  
I will never slip or stumble

I'm a soldier - these shoulders hold up so much

They won't budge, I'll never fall or fold up  
I'm a soldier - even if my collar bones crush or crumble  
I will never stumble

Yo left, yo left, yo left right left

Yo left, yo left, yo left right left

Yo left, yo left, yo left right left

Yo left, yo left, yo left right left
