

U Move, I Move (feat. Jhené Aiko)

John Legend

[Verse 1: John Legend]

I don't need words, you don't need to say it
Go with the feeling, and I'll do the same, woah
That's how this works, I put you first
You twist and you turn, I wanna learn [Pre-Chorus: John Legend]
When I'm lost, you give me order
Pull me back and push me forward
Take me in and hold me, hold me closer
I'll follow you up and over
You control me, fast and slow [Chorus: John Legend]
When you move, I move (I move)
Move (I'm caught in your groove)
Yeah, I'm gonna stay right next to you
Wherever you going, I'm going too
[Verse 2: Jhené Aiko]

If you're ever hurt, then I'm gonna bleed
But I'll pick you up and, put you back on your feet, oh woah, oh-oh
That's how this works, I put you first (Yeah)
Yeah, I do for you, what you want me to [Pre-Chorus: John Legend & Jhené Aiko]
When I'm lost, you give me order
Pull me back and push me forward
Take me in and hold me, hold me closer
I'll follow you up and over
You control me, fast and slow
[Chorus: John Legend & Jhené Aiko, John Legend]
When you move, I move
Move (I'm caught in your groove)
Yeah, I'm gonna stay right next to you
Wherever you going, I'm going too
[Bridge: John Legend & Jhené Aiko, John Legend]
I can't believe that I've found someone like you
Oh, someone who needs that somebody like I do
Oh, oh-oh
I can't believe that I've found someone like you (Na-na-na-na, na-na)
Like you [Chorus: John Legend & Jhené Aiko, John Legend]
When you move, I move
Move (I'm caught in your groove)
Yeah, I'm gonna stay right next to you
Wherever you going, I'm going too [Outro: John Legend]
Move, yeah
Move, yeah
Move, yeah

Move, yeah
