

# Sadie

R. Kelly

This song goes out to my mother - The one I loved and the one I lost - When it comes down to thinking about what my mother's done for me, the love she's given me. - It makes it easy to do a song like this - So this ones for you mom I love you  
Early one Sunday morning / Breakfast was on the table / There was no time to eat / She said to me boy hurry to Sunday school / Filled with the long of glory we learned the holy story / She'll always have her dreams / Despite the things / This troubled world can bring.  
CHORUS

Oh Sadie don't you know we love you sweet Sadie  
Place No one above you sweet Sadie  
Well Well  
Living in the past  
Sometimes it seems so funny, no money can turn your life around  
Sweeter than cotton candy / Stronger than papas' old Brandy/ Always that needed smile / Once in awhile she would break down and cry / Sometimes she'd be so happy / Being with us and daddy / Standing the worst of times / Breaking the binds with just a simple song  
CHORUS

Oh Sadie - She's Loving my song in a special way - Sweet Sadie - Living in the Past - Oh she's never sinning in Love she's always winnin - my my my my my - I love you mama - I just can't forget how you gave me love oh no - If there's a heaven up above I know she's teaching angels how to love - Its a mean world without ya - and I surely miss you much mother - and now that your gone I'm gonna carry on - Cause your cryin lady - ooh sadie - When I think about the things that you done for me - Hey it brings a joy way down deep inside of me - oh oh oh oo oh - See I love you mama - Yes I do - I'll never forget you mama no  
oh oh oh
