## Money Burns a Hole In My Pocket

## **Dean Martin**

Money burns a hole in my pocket How I wish I had millions of dollars and nothing to do But just buy pretty presents for youMoney burns a hole in my pocket How I wish I had oil wells in Texas to keep me supplied With money while I sit by your sideEvery day of the week We would visit the store All the beautiful things you see Would soon be yours Cuz money burns a hole in my pocket So I'm bringing your perfume and candy and roses of red And wishing they were diamonds instead Every day of the week We kinda visit the store All the beautiful things you see Would soon be yours Money burns a hole in my pocket So I'm bringing your perfume and candy and roses of red And wishing they were diamonds instead Song Discussions is protected by U.S. Patent 9401941.
