Quentin Miller

[Intro]

Yeah, yeah, yeah
One three one seven man
Man, man, yeah[Verse 1]
Jump right back to the beats
20 somethin' songs in a week
Checks comin in from the clicks
Mac, iPhone, PC
Clocked in middle of the night
2am going on 3
You wouldn't understand my life
Wouldn't understand, yeah
'Bout to move to LA, ATL get too cold man
Middle man sittin' in the way
Middle aged Quentin on the way
Nigga finna turn 28
Can't be sittin' in the same place
Can't take a break no, no
Can't take a break (whoa)
Back in the kitchen like Deen
Fuck these niggas like Dean
Legendary like Mike Dean
You ain't seen the shit that I seen
I could never work at a desk
Nigga found a way to cheat death
Music only thing I got left, damn
Jump right back to the beats
20 somethin' songs in a week
Checks comin in from the clicks
Mac, iPhone, PC
Mac, iPhone, P-(alright)[Beat Switch]

[Verse 2]

(Yeah)

I made this beat and song yesterday
2017 we in a different age
Directly to my fans, ask the middle man
Yeah, XO's for all my women friends
Respects owed to us we doing
What they said we can't, man
Shout out Boi-1da he set the play up if it
Wasn't for him I'd still be minimum wage
Till this day

Big blessings, I'm seeing big blessings
Grind harder, stack, leave my kids blessings
Put some respect up on my name
Quentin million dollar Miller
Keep the change, peep the change, damn
Peep the change, yeah
