# Pump That Body

## Stevie B

Tonight the new king is gonna take control
with that beat that gonna move your soul
it's gonna make you more than sweat
you don't believe who's got the cash
I'll bet don't be sitting down waiting for the breakdown
just get down to this new sound so stop mucking around clown
dance floor's smoking
bodys wet
bass is kicking you ain't seen nothing yet
this power inside of me will make you see
it's time for you to make a change
so I'm gonna make you dance
cause I know I can
just by waving my of hands girlRefrão:(2X)
Shake that body
pump that body
shake that body
cause `I really wanna make you want to
thats right
for those of you who don't understand
and don't you ever think I m just a men
that won't be around here too loong
I'm gonna show that my back is strong
I 've got to show you once again what I'm all about
thats without a doubt
I m the one who keeps the dancefloor pumpin
I even keep the hotties humpin
dance floor's smoking
bodys wet
bass is kicking you ain't seen nothing yet
this power inside of me
will make you see
it's time for you to make a change
now I 'm gonna make you dance
cause I know I can
just by waving of my hands girl
