Cold Little Heart

Michael Kiwanuka

Did you ever want it?
Did you want bad?
Oh, my, it tears me apart
Did you ever fight it?
All of the pain, so much power running through my veins.
Bleeding, I'm bleeding!
My cold little heart...
Oh I... I can't stand myself.And I know in my heart, in this cold heart
I can live or I can die, I believe if I just try...
You believe in you and I... In you and I...
In you and I... In you and I...
Did you ever notice I've been ashamed?
All my life I've been playing games
We can try and hide it, it's all the same.
I've been losing you one day at a time.
Bleeding, I'm bleeding!
My cold little heart...
Oh I... I can't stand myself.And I know in my heart, in this cold heart
I can live or I can die, I believe if I just try...
You believe in you and I...
And I know in my heart, in this cold heart
I can live or I can die, I believe if I just try...
You believe in you and I... In you and I...
In you and I... In you and I...
In you and I... In you and I...
In you and I... In you and I...
Maybe this time I can be strong... But since I know who I am
I'm probably wrong.
Maybe this time I can go far... But thinking about where I've been
ain't helping me start.
