

Hooked On Rock 'N' Roll

Peter Criss

The boy could play before he learned to grow
Worked in a band who had no name at all
Every mornin' at the break of dawn
You could see him draggin' home his drums I was
Vaccinated with a little needle (?)
And I'm hooked on
Rock and roll They called the family doctor
To see what he could do
Doc said "No you can't
Cure his soul once he's infected with the blues"
So I traveled 'round from town to town
Singin' out the news
I was
Vaccinated with a little needle
And I'm hooked on
Rock and roll When you find you
Got no mind to
Work from nine to five
Find the back beat
Set your heart free
And feel that music runnin' through your feet Mama told me
Long ago
"Ain't no future in that rock 'n' roll"
And I said "Hey mama
It's burnin' hot inside my soul" It's like a fever that won't cool down
I've been addicted since I heard that sound
I was
Vaccinated with a little needle
And I'm hooked on
Rock and roll... yeah When you find you
Got no mind to
Work from nine to five
Find the back beat
Set your heart free
And feel the music runnin' through your feet Mama told me
Long ago
"Ain't no future in that rock 'n' roll"
And I said "Hey mama
It's burnin' hot inside me soul" It's like a fever that won't cool down
I've been addicted since I heard that sound I was
Vaccinated with a little needle
And I'm hooked on

Rock and roll... yeah
Hooked on
Rock and roll
(I've been addicted since I heard that sound)
Hooked on
Rock and roll
Hooked on
Rock and roll
(It's like a fever that won't cool down)
Hooked on
Rock and roll... yeah-yeah-yeah
Hooked on
Rock and roll
(It's burnin, burnin, burnin in my soul)
Hooked on
Rock and roll
Hooked on
Rock and roll
(I've been addicted since I heard that sound)
Hooked on
Rock and roll
Hooked on
Rock and roll
Hooked on
Rock and roll" The Cat"
