

# He Knows

Jeremy Camp

All the bitter weary ways  
endless striving day by day  
you barely have the strength to pray  
in the valley low How hard your fight has been  
how deep the pain within  
wounds that no one else has seen  
hurts too much to show All the doubt you're standing in between  
And all the weight that brings you to your knees  
He knows, he knows  
Every hurt and every sting  
He has walked the suffering  
He knows, he knows  
Let your burdens come undone  
Lift your eyes up to the one  
Who knows  
He knows We may faint and we may sink  
feel the pain and near the brink  
but the dark begins to shrink  
when you find the one who knows The chains of doubt that held you in between  
one by one are starting to break free Every time that you feel forsaken  
every time that you feel alone  
He is near to the broken hearted  
every tear  
He knows, he knows  
Every hurt and every sting  
He has walked the suffering  
He knows, he knows  
Let your burdens come undone  
Lift your eyes up to the one  
Who knows  
He knows Every time that you feel forsaken  
every time that you feel alone  
He is near to the broken hearted  
every tear He knows, he knows  
Every hurt and every sting  
He has walked the suffering  
He knows, he knows  
Let your burdens come undone  
Lift your eyes up to the one  
Who knows  
He knows He knows He knows
