Speed Up (Delinquent Remix)

Funkerman

Try to keep up with me
'Cause I can give you some
All the loving you need
I give you such a rush
Baby step up your game
Keep up with my pace
Girl I know that you want it
Don't hesitateI want you behind my bedroom doors
Ready or not, we're about to speed up
Try to keep up with me (me, me, me)
'Cause I can give you some, oh oh
All the loving you need (need, need, need)
I give you such a rush (rush, rush)
Baby step up your game (game, game, game)
Keep up with my pace (pace, pace)
Girl I know that you want you want, you want, want it
Don't hesitateI want you behind my bedroom doors
Ready or not, we're about to speed up
I'm lovin' you girl (3x)
Try to keep up with me (me, me, me)
'Cause I can give you some, oh oh
All the loving you need (need, you need, need)
I give you such a rush (rush, rush)
Baby step up your game (game, game, game)
Keep up with my pace (pace, pace)
Girl I know that you want (you want, you want, want it)
Don't hesitateI want you behind my bedroom doors
Ready or not, we're about to speed up
I'm lovin' you girl (2x)
