

Whispers In the Dark

Skillet

Despite the lies that you're making
Your love is mine for the taking
My love is just waiting
To turn your tears to roses Despite the lies that you're making
Your love is mine for the taking
My love is just waiting
To turn your tears to roses I will be the one that's gonna hold you
I will be the one that you run to
My love is a burning, consuming fire
No, you'll never be alone
When darkness comes
I'll light the night with stars
Hear the whispers in the dark
No, you'll never be alone
When darkness comes
You know I'm never far Hear the whispers in the dark
Whispers in the dark You feel so lonely and ragged
You lay here broken and naked
My love is just waiting
To clothe you in crimson roses
I will be the one that's gonna find you
I will be the one that's gonna guide you
My love is a burning, consuming fire
No, you'll never be alone
When darkness comes
I'll light the night with stars
Hear the whispers in the dark
No, you'll never be alone
When darkness comes
You know I'm never far
Hear the whispers in the dark
No, you'll never be alone
When darkness comes
I'll light the night with stars
Hear the whispers in the dark
No, you'll never be alone
When darkness comes
You know I'm never far
Hear the whispers in the dark
Whispers in the dark
Whispers in the dark
Whispers in the dark
