

# All the Time

Chris Lane

She only wants me on the weekend  
Why do I want it all the time?  
I even see you when I'm sleeping  
The only thing that's on my mind I've been spending my money and spending on mind  
I been cool with your friends; I remembered your sign  
But she only wants me on the weekend  
And why do I want it... Why do I want it all the time?  
Why do I want it all the time?  
If I said I didn't, I'd be lying  
You know I want it all the, you know I want it all the time When you're shaking that, shake it all  
over baby  
You got a mean, bad body, got to celebrate it  
I give my love and she just takes it  
No, she don't even need to ask  
Don't give it back, she don't replace it  
Looking at that, I can't be mad I've been spending my money and spending on mind  
I been cool with your friends; I remembered your sign  
But she only wants me on the weekend  
And why do I want it... Why do I want it all the time?  
Why do I want it all the time?  
If I said I didn't, I'd be lying  
You know I want it all the, you know I want it all the time Shaking that, shake it all over baby  
Got a mean, bad body, got to celebrate it  
Don't know what I love, but you're gonna make it  
You know I want it all the time  
Ooh, oh oh  
She only wants me on the weekend  
I give what she wants all the time  
She always leave me when I'm sleeping  
Why do I want it... Why do I want it all the time?  
Why do I want it all the time?  
If I said I didn't, I'd be lying  
She knows I want it all the, she knows I want it all the time (She knows, she knows, she knows)  
Shaking that, shake it all over baby  
(She knows, she knows, she knows)  
Got a mean, bad body, got to celebrate it  
(She knows, she knows, she knows)  
Don't know what I love, but you're gonna make it  
(She knows, she knows, she knows)  
You know I want it all the time
