My Life Would Suck Without You

Kelly Clarkson

Guess this means you're sorry, you're standing at my door
Guess this means you take back all you said before
Like how much you wanted anyone but me
Said you'd never come back but here you are again'Cause we belong together now, yeah
Forever united here somehow, yeah
You got a piece of me and honestly

My life would suck without youMaybe I was stupid for telling you goodbye

Maybe I was wrong for trying to pick a fight

I know that I've got issues but you're pretty messed up too

Either way I've found out I'm nothing without you

'Cause we belong together now, yeah

Forever united here somehow, yeah

You got a piece of me and honestly

My life would suck without youBeing with you is so dysfunctional

I really shouldn't miss you but I can't let you go, oh yeah

'Cause we belong together now, yeah

Forever united here somehow, yeah

You got a piece of me and honestly

My life would suck without you

'Cause we belong together now, yeah

Forever united here somehow, yeah

You got a piece of me and honestly My life would suck without you
