

Today Was A Fairytale (Taylor's Version)

Taylor Swift

Today was a fairytale
You were the prince
I used to be a damsel in distress
You took me by the hand
And you picked me up at six
Today was a fairytale Today was a fairytale Today was a fairytale
I wore a dress
You wore a dark grey T-shirt
You told me I was pretty
When I looked like a mess
Today was a fairytale Time slows down
Whenever you're around
?an you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standin' there
It must have been the way
Today was a fairytale
It must have been the way
Today was a fairytale Today was a fairytale
You've got a smile
That takes me to another planet
Every move you make
Everything you say is right
Today was a fairytale Today was a fairytale
All that I can say
Is now it's getting so much clearer
Nothing made sense
Till the time I saw your face
Today was a fairytale
Time slows down
Whenever you're around, yeah?an you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standin' there
It must have been the way
Today was a fairytale
It must have been the way
Today was a fairytale
Time slows down
Whenever you're around
I can feel my heart
It's beating in my chest
Did you feel it?

I can't put this down
?an you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standin' there
It must have been the way
?an you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standin' there
It must have been the way
Today was a fairytale
It must have been the way
Today was a fairytale
Oh, oh, yeah, oh
Today was a fairytale
