

Heart's Desire

Kip Moore

Night is fallin' on me like a big black coat
Staring through the window at the empty cold
Thick white smoke rolling off my lips
My chest is feeling heavy like a cannon ball
Got sweat rolling down me like a waterfall
'Cause I left love slip through my fingertipsooh ooh ooh

Hee hee hee

I'm a raging fire

You're my heart's desireSlipping in and out of a restless sleep

Thinking of you wondering if you're thinking of me

Or are you long gone girl or with another man

The tough bring me right to the brink of rage

Like a lion in a rusted out circus cage

I wanna break this bars, make you understand

Hoo hoo hoo

Hee hee hee

I'm a raging fire

You're my heart's desireWhen I finally settle in to a midnight dream

You're walking through a field of flowers smiling at me

So I reach right out and try to touch your skin

Then a morning breeze blows and I almost taste

Your sweet scent dripping on my pillowcase

Damn this day, here I go againHoo hoo hoo

Hee hee hee

I'm a raging fire

You're my heart's desire

I don't think I can really take no more

Like a prize fighter laying on a canvas floor

I hear the clockbell bring struggle to my faith

I've been 52 rounds with your memory

I'd go 52 more if it'll make you see

Girl you mean the world to meHoo hoo hoo

Hee hee hee

I'm a raging fire

You're my heart's desireHoo hoo hoo

Hee hee hee

I'm a raging fire

You're my heart's desire
