

# Because of Your Love

[Kenny Chesney](#)

Baby I don't understand  
With just A touch of your hand  
Can Make me feel invincible  
Do you know just where you take me  
Do you know how high you make me  
I need your kiss like oxygen  
With your arms warm around me  
When your eyes look deep into me  
It's unstoppable  
Baby anything is possible Everything I wanna be  
Any dream I wanna dream  
I can, Because of your love  
Anywhere I ever go  
With all of my heart I know  
I am the man I am  
Because of your love  
Don't know how I lived before you  
Now I live to explore you  
Take me girl to your secret world  
Where I could swim in your deep blue passion  
Or I could feel your love come crashing over me endlessly  
Whether your right by my side or  
Whether you and I are a million miles apart  
I can always feel you in my heart Everything I wanna be  
Any dream I wanna dream  
I can, Because of your love  
Anywhere I ever go  
With all of my heart I know  
I am the man I am  
Because of your love  
Everything I wanna be  
Any dream I wanna dream  
I can, Because of your love  
Anywhere I ever go  
With all of my heart I know  
I am the man I am  
Because of your love Oh Baby  
Because of your love
