Dream About You

Stevie B

There was a time in my life
When I opened my eyes and there you were,
You were more than a dream,
I could reach out and touch you,
Girl that was long ago.
There are somethings that I guess I'll never know,
When you love someone You got to learn to let them go.When I dream about you,
That's when everything's all right,
You're in my arms
Here next to me, forever.
When I dream about you,
Girl you never go away,
Just close my eyes
Wait for my dreams,
Cause I still love, loving you.
How can I get you to see
That I'm falling apart
Since you've been gone,
I can never be sure
I could ever let go
Your love is much to strong,
There are somethings that I guess
I'll never know,When you love someone
You got to learn to let them go.When I dream about you,
That's when everything's all right,
You're in my arms
Here next to me, forever.
When I dream about you,
Girl you never go away,
Just close my eyes
Wait for my dreams,
Cause I still love, loving you.
There are somethings that I guess
I'll never know,
When you love someone
You got to learn to let them go.When I dream about you,
That's when everythings all right,
You're in my arms
Here next to me, forever.
When I dream about you,
Girl you never go away,
Just close my eyes

Wait for my dreams,
Cause I still love, loving you.
