## Future

Real dope dealers for real!

Aye move that dope, aye move that dope

Young nigga move that dope  
Whippin' the yam, whippin and flippin' the yam  
Turn the whole brick to a Lam  
Re-rockin' the dope, soon as it get off the boat  
Keepin' it soft like a mink  
Gold on my link, coke in the sink  
Choppin' that work like karate  
Servin' a new Maserati, in a brand new Maserati  
That's a whole lot of new money  
Snatch it, then hide it from the 12  
Movin' them squares and them bales, servin' the rawest of yayo  
Beating that china like Kunta Kinte  
Whippin' it, whippin' that fish and Parkay  
Drinkin' on syrup, I'm rollin' up  
Made myself a boss, a boss and a plug  
Either way you put it, nigga, I'm good  
Triple salute, nigga, straight out the hood  
Bakin' soda water splash the scales  
Fork in my right and my pot in my left  
Leanin' over, over to the side, I whip me a four way to a nine  
The dirty, the money is homicide and my recipe can't be televised  
Young nigga move that dope  
Young nigga move that dope

Aye move that dope, aye move that dope  
Young nigga move that dope

Young enough to still sell dope, but old enough that I knows better  
When they sayin' it's 42 for that white powder, I knows better  
Get it nigga? I nose better, put a smile on the devil's face  
Who don't wanna sell dope forever and flood their Rollie 'till the bez  
el break?

Woo! Fish scale in the two-door that I fish-tails  
Fiberglass, Ferrari leather, in designer shit that I misspell  
YUGHH! Look at the clues, the J's, the jewels, I'm actin' a monkey  
From sixteen years old, I'm whippin' in kitchens, fuckin' my junkies  
Pablo, Versace way before Migos  
My dinner plates, no silverware, all you niggas my hijos  
Toss a kilo like a free throw, crack house, it had the peephole  
Made it through to the other side, now nothing's big as my ego, Pus  
h

Me, I try to leave the best for later  
But Pusha tried to put me on the respirator  
The old Skateboard P, that's your favorite  
Me and twenty girls doin' yoga naked  
Frequency high, like a spaceship

She say that she like it and she's been exposed  
The Gandalf hat and the weird ass clothes  
That's Comme des Garçons and the Buffalo  
I know guerrillas with the triggers that's on a banana clip  
And packin' with the biggest missiles  
These niggas is knocking over vehicles  
These niggas ain't waitin' just to see niggas  
These niggas ain't tryna hear plea niggas  
These niggas like choppin' down trees, niggas  
These niggas 1-2-3 and they squeeze, niggas  
These niggas hit the weed then they lean niggas, gee, nigga  
If you got two hoes, you need to let one go  
Two Lambos, you need to let one go  
All these drones while y'all smoke dro  
There's an eye in the sky, I'm tryna let y'all know  
Ain't no standards, I'ma set one though  
Big ass bag but no man sandals  
All that war, we need to let that go  
That boom business, I'ma get that ho  
Young nigga move that dope  
Young nigga move that dope  
Aye move that dope, aye move that dope  
Young nigga move that dope  
Young nigga, young nigga move that dope  
Young nigga move that dope  
Aye move that dope, Aye move that dope  
Young nigga move that dope

Young nigga move that dope  
Young nigga, young nigga move that dope  
Young nigga move that dope  
Aye move that dope, Aye move that dope  
Young nigga move that dope  
Young nigga got that coke, whip that dope like a bad child  
How you think about that coupe, with no roof? Young nigga cashed  
out  
Popped so many Percs, popped so many Zans, young nigga 'bout to  
pass out  
12 jump behind me, I got some in the car, young nigga 'bout to smas  
h out  
Migo hit that line, say he got some bricks, young fresh, 'bout to buy '  
em out  
QuikTrip 'round the corner, dropped a nine  
Got the J's in the lunch line smokin' iron  
Cocaine, cocaine cowboy, like Mickey Munday  
Take over the project, whip a line, me no wait  
I keep a 45 in my coat, while I'm servin' dope

The J's in my hood smoke that crack, say it give 'em hope  
Serve a nigga whole brick, he hopin' that it come and go  
Young nigga tricked up, now he spendin' that money with Casino!

Young nigga move that dope  
Young nigga move that dope  
Aye move that dope, aye move that dope  
Young nigga move that dope
