## **Living and Living Well**

## **George Strait**

Had a nice little life
A little boat, a little beach
A little routine I liked
A blue ocean view
Free to go with the flow

Anywhere that I wanted to

But the moment you set foot on my shore

That's when I knew. There's a difference in

Living and living well

You can't have it all

All by yourself

Something's always missing

'Til you share it with someone else

There's a difference in living and living well.

'Til you sailed with me

Thought that I had it good

As good as it could be

From the back of my deck

Caught a fish, caught a breeze

And a thousand red sunsets

But sitting here with you girl I just saw

The best one yet. There's a difference in

Living and living well

You can't have it all

All by yourself

Something's always missing

'Til you share it with someone else

There's a difference in living and living well.

My days are brighter

My sky a deeper blue

My nights are sweeter

When I'm with you. There's a difference in

Living and living well

You can't have it all

All by yourself

Something's always missing

'Til you share it with someone else

There's a difference in livin'.

I thought I was living.

There's a difference in living and living well.
