Stand By Me

Jesse Winchester

When the night has come And the land is dark And the moon is the only light we'll seeWell, I won't be afraid No, I won't shed a tear Just as long as you stand by meAnd, darling, darling Stand by me, stand by me Stand by me, stand by me Stand by me If the sky that we look upon Should tumble and fall And the mountains Would crumble to the seaWell, I won't, I won't cry No I won't shed a tear Just as long as you stand by me And, darling, darling Stand by me, stand by me Stand by me, stand by me Stand by me Song Discussions is protected by U.S. Patent 9401941.
