

# Gladiator

## The Girl and The Dreamcatcher

If the monsters in you get to real  
I would take on the night for you  
If it cuts so deep  
It just won't heal  
I would take it and die for you  
When you think the writing's on the wall  
When the only way out is to fall  
When it's you and me against it all  
When you need me  
I will keep on fighting for your love  
And If you feel it  
I'd go gladiator for your love  
You know I mean it  
I'd be glad I did it for your love  
Yeah, when you need me  
When you need me  
I'd go gladiator  
For your love  
For your love  
I'd be glad I did it  
For your love  
For your love  
I'd go gladiator  
For your love  
For your love  
For your love  
Your, your, your love  
If you built a wall you can't see through  
I'll break it down for you  
When you've done that thing you can't undo  
You know I'll bury it with you  
When you think the writing's on the wall  
When the only way out is to fall  
When it's you and me against it all  
When you need me  
I will keep on fighting for your love  
And If you feel it  
I'd go to be a gladiator for your love  
You know I mean it  
I'd be glad I did it for your love  
Yeah, when you need me  
When you need me

I'd go gladiator  
For your love  
For your love  
I'd be glad I did it  
For your love  
For your love  
I'm going to be a gladiator  
For you love  
For you love  
For your love  
Your, your, your love  
You know I'd do  
Anything for you love  
You know I'd do  
Anything for you love  
Anything for you love  
Anything for you love  
When you need me  
I will keep on fighting for your love  
And If you feel it  
I'd go gladiator for your love  
You know I mean it  
I'll be glad I did for your love  
Yeah, when you need me  
When you need me (You know I'd do)  
I'd go gladiator  
For your love  
For your love (You know I'd do)  
I'd be glad I did it  
For your love  
For your love  
I'd go gladiator (anything for your love)  
for your love  
for your love  
For your love  
Your, your, your love (You know I'd do)  
I'd go gladiator (anything for your love)  
For your love  
For your love (You know I'd do)  
I'd be glad I did it (anything for your love)  
For your love  
For your love  
I'd go gladiator (anything for your love)  
For your love  
For your love (anything for your love)  
For your love  
Your, your, your love  
You know I'd do
