Let Me Love You

Chris Lane

Baby I just don't get it Do you enjoy being hurt? I know you smelled the perfume The make-up on his shirt You don't believe his stories You know that they're all lies Bad as you are, you stick around And I just don't know whyIf I was your man, baby you'd Never worry about what I do I'd be coming home back to you Every night, doing you right You're the type of woman deserves good things A fistful of diamonds, a hand full of rings Baby you're a star, I just want to show you are You should let me love you Let me be the one to Give you everything you want and need Baby, good love and protection Make me your selection Show you how true love's supposed to be Baby, you should let me love you Love you, love you, love you Yeah, ListenYour true beauty's description Look so good that it hurts You're a dime plus 99 And it's a shame, don't even know what you're worth Everywhere you go, they stop and stare Cause you're bad and it shows From your head to your toes Out of control, baby you know If I was your man, baby you'd Never worry about what I do I'd be coming home back to you Every night, doing you right You're the type of woman deserves good things A fistful of diamonds, a hand full of rings Baby you're a star, I just want to show you areYou should let me love you Let me be the one to Give you everything you want and need Baby, good love and protection Make me your selection Show you how true love's supposed to be
