## Reflection

## **Christina Aguilera**

Look at me You may think you see Who i really am But you'll never know me Every day, is as if I play a part Now I see If I wear a mask I can fool the world But I cannot foolMy heart Who is that girl I see Staring straight back at me? When will my reflection show Who I am inside? I am now In a world where I have to Hide my heart And what I believe in But somehow I will show the worldWhat's inside my heart And be loved for who I am Who is that girl I see Staring straight back at me? Why is my reflection Someone I don't know?Must I pretend that I'm Someone else for all time? When will my reflection show Who I am inside? There's a heart that must Be free to fly That burns with a need To know the reason why Why must we all conceal What we think How we feel Must there be a secret meI'm forced to hide? I won't pretend that I'm Someone else For all time When will my reflection show Who I am inside? When will my reflection show Who I am inside?
