Hopeless

Khalid

Spend my time worrying of broken promises Focused on the smell of all the burnt out cigarettes

My thoughts play on repeat

Only comfort that I keep

'Cause in a moment I will be

Something you will forgetHopeless, hopelessly romantic

You, you got me stranded

Ooh, I'm blue, blue, blueNow tell me was I ever something that you could regret

I know I wasn't the one for you

But at least I tried my best

Surrounded by questions like, "Why'd you two part ways?"

But if my memory's right

You're the one that left

I'll be hopeless hopelessly romantic

You, you got me stranded

Ooh, I'm blue, blue, blueUsed to lift me higher

But I guess our time's expired

I'm giving you the match

Set our love on fireHopeless hopelessly romantic

You, you got me stranded

Ooh, I'm blue, blue, blueNow tell me was I ever something that you could regret

I know I wasn't the one for you

But at least I tried my best

Surrounded by questions like, "Why'd you two part ways?"

But if my memory's right

You're the one that left

I'll be hopeless hopelessly romantic

You, you got me stranded

Ooh, I'm blue, blue, blue

Ooh yeah, I'm blue, blue, blue, oh

Yeah, I'm blue, blue, blue
